

Dear Applicant,

Thank you for your interest in the Greater Texas Foundation Scholars Program. Acceptance into this prestigious three-year program provides scholars with opportunities for personal development, individualized academic and mentoring support geared towards achieving a timely graduation, increased social awareness and an enriched university experience. Scholars are awarded financial assistance from the Greater Texas Foundation based on individual need after all other forms of financial aid have been accessed (i.e. grants, scholarships, etc.).

Applicants to the GTF Scholars Program must meet specific criteria, which includes:

- Being a 2019 graduate of a Texas Early College High School
- Be eligible to apply for federal financial assistance through FAFSA
- Earned a minimum of 30 semester credit hours towards a college degree
- Earned a minimum cumulative GPA of 2.7 (on a four-point system) for college hours earned
- Be admitted to the University of Texas Rio Grande Valley

Scholarship awards vary from semester to semester based on the student's financial aid package.

Acceptance into the GTF Scholars Program is a competitive process. The number of students that are accepted is limited, so not all students who apply will be selected. Once accepted into the program, students must complete all program requirements to continue participating in this program.

A committee makes final recipient recommendations and students will be notified via email. We encourage you to carefully examine all documents before submitting them to ensure your application packet clearly articulates your talents, accomplishments, strengths, and educational goals.

Once again, thank you for your interest in the Greater Texas Foundation Scholars Program. We look forward to reviewing your application! Please contact our office should you have any questions about the application process.

Sincerely,

Michael E. Aldape
Director of Special Programs – Dual Credit
